## ABOUT

### EVAN'S DESTINATION DAY CAMP

Established 2017

**Evan Carom**  
(1988-2015)

This private family charitable program is in memoriam of Evan John Carom who worked with children and young adults diagnosed with Autism for 11 years. He always wanted to help others and his work continues through this 5K Run/Walk.

## ABOUT

### HIGHLANDS HOSPITAL REGIONAL CENTER FOR AUTISM

Highlands Hospital Regional Center for Autism was developed in collaboration with the Cleveland Clinic Autism Development Solutions (CCADS). The program was modeled after the Lerner School at Cleveland Clinic and was established to offer state-of-the-art educational and behavioral treatment to individuals with autism in Southwestern Pennsylvania.

**EVAN'S DESTINATION DAY CAMP PROVIDES FUNDING FOR THE STUDENTS TO PARTICIPATE IN OFF-SITE RECREATIONAL OUTINGS THROUGHOUT THE YEAR.**

## HOW PARTICIPATING HELPS

Recreational activities are a wonderful outlet to help children gain several different skills all while having fun. Participating in recreational activities can help children with Autism Spectrum Disorder (ASD) gain important life skills and social skills.

### Social interaction

### Communication

### Motor Skills

### Structured Play

### Helps Identify Areas of Interest

*(The students at a recent outing funded by EDDC.)*

**100% of all funds raised go to the students at the Highlands Hospital Regional Center for Autism.**
